Proclamation for National Native American Wellbriety Month

July 30, 2002

WE, at Eastern McKinley Counseling Service, Inc. recognize and value the sobriety and spiritual, mental, emotional and physical wellness of our members and our People.

WE, are aware of and support the need for sobriety and recovery from chemical dependence as key to the success of our organization's good efforts.

Recognizing that greater wellness, also known as **Wellbriety**, is beneficial to our organization and our wider community.

WE wholeheartedly support White Bison's efforts, in conjunction with SAMHSA and CSAT, in promoting Wellbriety on the individual, family, community and national levels.

Therefore, the above named Tribal Nation or Native American Organization supports the proclamation of September 2002 as National Native American Wellbriety Month.

Sincerely,

Mavis V. Price — Executive Director
